Brand New Book. Booklovers Bookmarks are designed to be used by the reader of a book to stylishly and
effectively indicate the page and place last read. The sturdy brass construction of the Booklover's Bookmark is
designed to embrace the edge portion of one or more leaves of a book and to be held firmly but removably in
place by frictional engagement with the opposite faces of the leaf or leaves. Each Booklover's Bookmark is
packaged attractively on a card in which the actual bookmark grasps a page from an actual page from an old
book, illustrating for the potential buyer or the gift recipient the immediate attraction and utility of the item.
Each packaged bookmark also includes a quote from a fellow booklover extolling the virtues of books and
reading. THE READING GIRL IN RED design shows an owl reading a book to gain even more wisdom. The quote
reads: She read books as one would breathe air, to fill up and live. -- Annie Dillard Sold in packs of four -
suggested retail of $5.95 per individual bookmark.
